OIL FILTERS

- ARS® offers a wide range of oil filters for **gasoline and diesel vehicles**, fully compliant with **OEM requirements**.
- Our lineup includes **metal spin-on filters** and **filter elements**, made with **high-quality filtering paper** for reliable engine protection.
- All metal oil filters are **leak-tested** to ensure durability, tight sealing, and consistent performance.

AIR FILTERS

- ARS® air filters are designed for **gasoline** and **diesel vehicles** and meet **OEM specifications**.
- Provide **efficient air filtration**, protecting the engine from dust and contaminants while maintaining optimal airflow.
- Manufactured with **high-quality filter media**, ARS air filters help improve engine performance and support long service life.

CABIN FILTERS

- **Blocks pollutants, allergens & dust**
Improves cabin air quality and reduces odours.
- **Maintains heating & AC efficiency**
Protects passengers – ideal for allergy sufferers.
- **Multiple types: pollen, activated carbon & HEPA**
HEPA captures tiny particles; carbon filters absorb gases and odours.
- **Replace up to 15k miles or annually**
Change more often in dusty or urban conditions

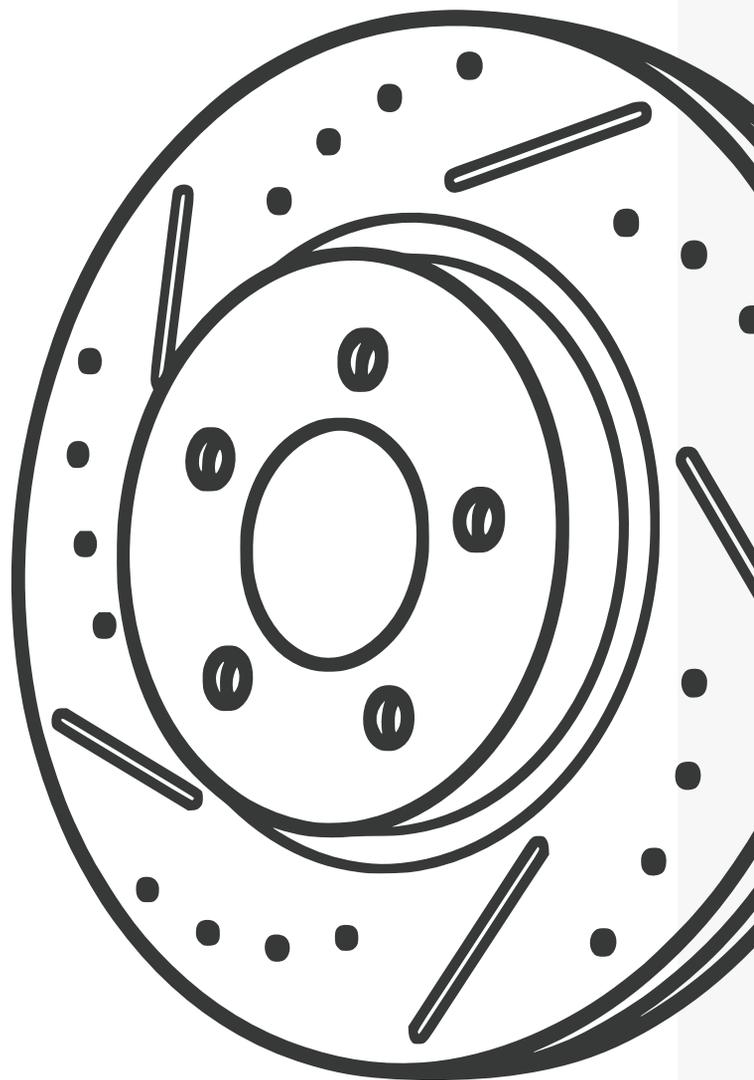

BRAKE PADS & DISCS

PERFORMANCE EDITION

BRAKE DISC

- Manufactured to meet **OEM specifications**, ensuring reliable braking performance and consistent heat dissipation.
- They provide **stable stopping power**, reduced vibration, and long service life under everyday driving conditions.
- Designed for passenger vehicles, ARS[®] brake discs deliver **safety, durability, and dependable performance**.

CERAMIC EDITION

BRAKE PADS

- ARS[®] ceramic brake pads offer **quiet braking**, low dust generation, and smooth stopping performance.
- They are designed to provide **excellent wear resistance** while maintaining comfort and braking efficiency.
- Ceramic compounds ensure **clean wheels, reduced noise**, and reliable braking for modern gasoline and diesel vehicles.

WIPER BLADES

ARS

WIPER BLADES

Clear Vision - Safe Drive

- **Clear vision for safe driving**

Replace at least once per year or when streaks appear

- **Protects your windshield**

Prevents scratches and enhances safety in rain & snow
